

California Department of Fish and Game Seasonal Job Bulletin

Position: Scientific Aid

Position Number: 565-384-0835-905

RPA Number: BDR-11-145

Salary: \$11.58 - \$13.34 / hour

Location: Yolo Bypass Wildlife Area

Duration: Through December 2012, potential for extension.

Start Date: As soon as qualified applicant is found

Duties:

Operation of tractor and associated equipment used in the maintenance and creation of habitat areas. Assist with the Yolo Bypass Wildlife Area's pheasant and waterfowl hunts. Undertake other duties as required.

Minimum Qualifications:

Possession of a valid California Driver's License, and 1) Education equivalent to completion of two years of college with a minimum of 10 semester hours in biological or chemistry sciences, OR 2) One year of experience in surveying, studying, or evaluating fish or wildlife populations or habitat, or working in a chemistry laboratory (this could include any volunteer work).

Special Personal Characteristics:

Applicant should be self-motivated, organized, and able to keep accurate records. Applicant should be able to easily identify migratory waterfowl and shorebird species commonly found in the Sacramento-San Joaquin Delta. Applicant should be familiar with hunting and gun safety practices.

How to Apply: Fill out a State Application Form (STD 678), available at: <http://jobs.ca.gov/Profile/StateApplication>, attach a resume and cover letter, and send to: jstoddard@dfg.ca.gov, or mail to Jeff Stoddard, California Department of Fish and Game, Bay Delta Region, 45211 County Road 32B, Davis, CA 95618.

For further information or questions contact Jeff Stoddard by email or at (530) 757-2461.
